## 2. Update on Business Events/Master Plan - Alexander Armani-Munn

Alexander would like thoughts and impressions from the Board in regards to the event.

Katrina Harms would like to get more people from outside the DDA and perhaps even beyond business owners such residents and visitors to come to an event. Harms would also like to reach out to the people who have not been attending the events.

Peter Marshall said that good connections and networking are valuable with these events.

Amanda Kneer likes the idea that some new people went to the second event. Kneer said a phone call to the businesses would be good to remind people. Kneer likes the momentum but she feels like the events should not be too structured until the Board starts meeting with DCI and getting input on ideas for future events.

Jeffrey Green said the events should continue and the DDA needs to reach out to additional people. Green said more people will come to the events if they happen on a regular basis.

Kevin Mueller thinks it is good to get the input and even judgment from the public. Mueller suggests that every board member reach out personally to a business or property owner to invite them for the next event. Mueller feels the events are successful if more people understand the DDA, and he would like Envision 2020 to be discussed at the events. .

Alexander Armani-Munn said it is important to stick to the Comprehensive Plan and Envision 2020 and use those as a foundation.

Katrina Harms asked the Board for volunteers to serve on an event committee. Alexander Armani-Munn, Amanda Kneer, and Katrina Harms volunteer to serve on the committee.
